- Announcement of the 2025/2026 Engineering Club Committee
- Inaugural Speech by the newly elected Student Council President
- Inaugural Speech by the newly elected Engineering Club President

This AGM not only celebrated the accomplishments of the outgoing committees but also set a strong foundation for the incoming leadership to continue fostering student engagement, innovation, and collaboration across PSDC.

The 2025 PSDC Student Council & Engineering Club Annual General Meeting concluded successfully at 4:50 PM, marking a pivotal moment in the transition of student leadership. The event not only celebrated the dedication and contributions of the outgoing committees but also set a clear vision for the year ahead through the appointment of new leaders.

The collaborative spirit between the Student Council and Engineering Club was evident throughout the proceedings, reinforcing the importance of unity, innovation, and active student engagement within PSDC. With renewed energy and leadership, both councils are poised to continue driving meaningful initiatives that enhance the student experience and foster a vibrant campus community.
