## **CEMACS Beach Cleaning Activity 2025 Report**

**Date:** 4 October 2025 (Saturday)

**Time:** 7:00 AM – 9:00 AM

**Venue:** Pantai Seagate, Bayan Lepas

**Number of Participants:** 72 students

- AE Students: 57
- SOE Students: 12

### **1. Objective**

The main objective of this activity was to raise environmental awareness among members and contribute to community well-being by cleaning up Pantai Seagate. The initiative aimed to promote teamwork, responsibility, and appreciation towards nature.

### **2. Activity Summary**

The event started at 7:00 AM at Pantai Seagate, Bayan Lepas. Before the cleaning session began, participants were served nasi lemak for breakfast, generously provided by After 5. The organizers expressed sincere appreciation to After 5 for their thoughtful contribution, which helped energize the participants before starting the activity.

After breakfast, a short safety briefing and activity overview were conducted. Participants were then divided into several small groups, each assigned to a specific section of the beach.

Each group received rubbish bags, trash grabbers, and gloves. One member from each team was responsible for recording the data, including the number and types of rubbish collected.

Throughout the morning, participants actively picked up litter and sorted it into different categories. All collected waste was placed at the designated collection area for proper disposal.

The event concluded around 9:00 AM with light refreshments and a group photo session. The teamwork and positive energy shown by everyone made the program a success.

### **3. Outcome / Achievements**

- The beach area became noticeably cleaner and more pleasant.
- Participants gained awareness of environmental issues and the importance of waste management.
- Strengthened teamwork, unity, and sense of responsibility among members.

### **4. Conclusion**

The CEMACS Beach Cleaning Activity was successfully carried out with active participation and cooperation from all members. It not only benefited the environment but also encouraged civic responsibility and unity among participants.
