FTA Students' Council Chinese New Year Celebration 2026 Report

Venue: Ombak

Date: 26/2/2026

Time: 9a.m. – 1p.m.

Organised By: FTA Students' Council

1. INTRODUCTION

FutureTech Academy Students' Council had successfully organized the Chinese New Year Celebration 2026 to promote cultural appreciation and strengthen unity among students through festive activities. The event was held in conjunction with the celebration of the Year of the Horse and aimed to provide students with an opportunity to experience traditional Chinese arts with an interactive and enjoyable environment. The celebration took place on 26 February 2026 from 9:00 AM to 1:00 PM at OMBAK (Lower Floor), attracting participation from students, staff and lecturers across the academy.

2. ACTIVITIES DETAILS

The main objective of the event was to celebrate Chinese New Year while encouraging creativity, participation, and cultural understanding among students of diverse backgrounds. Through hands-on activities, the Students' Council Committee aimed to create a meaningful and engaging experience that encouraged social interaction and built a stronger sense of community in the campus.

Several traditional art activities were conducted throughout the event. Participants had the opportunity to learn Chinese calligraphy, where they practiced writing auspicious words symbolizing prosperity, happiness, and good fortune. In addition, a blow painting activity allowed students to express their creativity by making unique artworks

using paint-blowing techniques. Origami sessions were also organized, which enabling participants to create decorative paper crafts that are often connected to celebrations. Another activity was paper cutting, where students designed traditional festive decorations inspired by Chinese cultural symbols.

To further encourage participation, a bonus activity was introduced in which students who completed a craft received a red packet as a token of appreciation and festive blessing. This initiative successfully motivated attendees to actively engage in the activities. The event also featured a lucky draw session (30 red packets including snacks and gifts) that added excitement and anticipation.

The response from participants was highly positive, as many students, staff and lecturers from different races had taken part in the activities and demonstrated strong interest in learning about Chinese traditions.

3. CONCLUSION

In conclusion, the Chinese New Year Celebration 2026 organized by the Students' Council was a meaningful event that achieved its objectives of promoting cultural appreciation, creativity, and student engagement. The positive feedback received from participants reflects the effectiveness of the program and highlights the importance of organizing similar cultural events in the future to continue fostering unity and inclusivity within the academy community.
